Yoga Fall Festival

One hotel. One weekend. Just yoga.

This year we are celebrating a premiere: the legendary Vitznauerhof will become a Yoga Festival Hotel for a weekend - for us and for yoga. Look forward to powerful yoga sessions, deep meditations, inspiring workshops and healing rituals - surrounded by the magical backdrop of Lake Lucerne. Feel the crisp autumn air, indulge in culinary delights and find your center in a place dedicated to conscious living. Be there when the Vitznauerhof celebrates its premiere as a Yoga Festival Hotel.
