## DAS GERSAUER FEST- Röllizunft meets lake stage

This year, the Gersau associations "Röllizunft" and "Gersau Tourismus" are jointly celebrating the 30th anniversary of the quay and the Gersau lake stage. DAS GERSAUER FEST will take place on July 05, 2025.

This year marks the 30th anniversary of the beautifully situated quay and the Gersau lake stage. The Röllizunft and Gersau Tourism associations are taking this as an occasion to celebrate and are organizing a festival for young and old. In addition to lots of music, there will also be plenty of culinary delights. Various food trucks and several festival restaurants will liven up the closed main street and the lake stage. For the children, there will be face painting and a Gumpi castle in the afternoon. Older guests can have fun and games with football darts and beer pong. Of course, you can also take a dip in the cool water on the quay or enjoy the music over coffee or an aperitif.
