In motor coach 1 to the vehicle parade

Experience the comfortable ascent from Vitznau in the historic motor coach 1, which will take you to the vehicle parade in style.

As part of the 150th anniversary of the Arth-Rigi Railway, the vehicle parade will take place on Sunday, June 8, 2025, where you can experience our unique fleet of historic vehicles up close. Even before the parade, you will have the opportunity to marvel at the historic vehicles up close on Rigi Staffel.
