StradivariFEST Gersau – Serena am See

StradivariFEST Gersau invites you to a "Serenade by the lake" with string sextets by Brahms. In good weather outdoors, in bad weather in the parish church. Aperitif with musicians afterwards.

The StradivariFEST Gersau invites you to an atmospheric summer evening on Lake Lucerne on Saturday, July 26, 2025. Under the motto "Clara & Johannes", the "Serenade on the Lake" will take place at 8.00 pm on the picturesque Gersau lake stage - a special concert experience in the open air. The evening will focus on Johannes Brahms' famous string sextets, which are among the highlights of Romantic chamber music with their tonal warmth and emotional depth. The music unfolds amidst the impressive natural backdrop of the lake and mountains, inviting the audience to an unforgettable listening experience. In case of bad weather, the serenade will take place in the parish church of Gersau. Up-to-date information is available from 7.00 pm from Gersau Tourism (041 828 12 20). After the concert, all guests are cordially invited to an aperitif, which offers the opportunity for a personal exchange with the musicians and brings the evening to a close in a relaxed atmosphere. Enjoy a magical concert evening between water and mountains - another highlight of the StradivariFEST Gersau, which brings the music of Clara Schumann and Johannes Brahms to life in special locations around the lake.
