StradivariFEST Gersau – Kerzenlichtkonzert

Candlelight concert with works by Clara Schumann and Johannes Brahms in the idyllic Kindli Chapel on Lake Lucerne. Romanticism and the magic of sound in a historic setting.

The StradivariFEST Gersau invites you to an atmospheric candlelight concert in the historic Kindli Chapel, idyllically situated on the shores of Lake Lucerne. The evening will focus on works by Clara Schumann and Johannes Brahms, whose music and special connection to the region characterize this year's festival theme "Clara and Johannes in Gersau". From 9 p.m., a unique atmosphere will unfold in Gersau's oldest chapel, which is considered a place of contemplation and inspiration: the program includes songs by Clara Schumann, which demonstrate her poetic and emotional expressiveness, as well as a string quartet by Johannes Brahms, which is one of the highlights of Romantic chamber music. The candlelight concert invites you to experience music and history amidst the wildly romantic nature and spiritual aura of the Kindli Chapel. If the weather is unfavorable, the concert will also take place in the Kindli Chapel; up-to-date information is available from 7 p.m. at Gersau Tourismus (041 828 12 20). Enjoy an unforgettable summer evening full of romance and the magic of sound - another highlight of the StradivariFEST Gersau, which brings the musical friendship of Clara Schumann and Johannes Brahms to life in one of their places of longing. After the concerts there will be an aperitif to which everyone is invited and which offers the opportunity to exchange ideas with the musicians.
