## Market trip to Lucerne

Sail comfortably to the market in Lucerne on our Nauen (barge). There will be sea shanties to sing along to the traditional breakfast.

At mystical dawn, our Nauen "Republik" departs from Wehri and chugs comfortably through the unique landscape to Lucerne. On board is the Seegusler Chor Gersau. After a hearty breakfast, you can conquer the market in Lucerne. Don't worry, the Nauen can certainly carry your entire shopping load! You will be back in Gersau by lunchtime. The number of participants is limited. Register at the Gersau Tourismus information center at the Gersau boat station or 041 828 12 20 / [info@gersautourismus.ch](mailto:info@gersautourismus.ch) If the trip does not take place, you will be notified personally.
