## Bubble Beatz und Enrico Lenzin

The Vitznau Cultural Commission presents two musical delicacies.

Christian Gschwend and Kay Rauber can't help themselves and have collected everyday objects for their new program "schlagZEUGS", on which they once again set the rhythm. After the interval, Enrico Lenzin delights with a cool mix of traditional and modern music on drums and alphorn. Two rhythmic formations. Both became famous with their appearances on SRF's "Greatest Swiss Talents". Note: This text was translated by machine translation software and not by a human translator.
