Lunar eclipse on Rigi Scheidegg

Experience the total lunar eclipse from the most beautiful vantage point - Rigi Scheidegg! On September 7, 2025, we will extend the operation of the Rigi Scheidegg Railway with an extra trip at 9.05 pm.

To mark the end of the 150th anniversary of the Rigi-Scheidegg Railway, a very special natural event awaits you: the total lunar eclipse on Sunday, September 7, 2025. While the moon is barely visible in the valley basin, Rigi Scheidegg offers the best viewing conditions thanks to its location. - Penumbra begins: 19.49 hrs - Main phase (totality) begins: 19.49 hrs - Main phase (totality) ends: 20.52 hrs - Penumbra ends: 22.55 hrs Arrival is with the regular courses according to the timetable: rigi.ch/fahrplan. On-site catering will be provided for your physical well-being. After your individual observation of the lunar eclipse, an extra cable car ride will take you back to Rigi Kräbel at 9.05 pm with a connection to Arth-Goldau.
