Fairy Tales and Painting

Spring delight, the beginning of something new

Enjoy a magical creative course in a small group and familial atmosphere. Forget your daily routine for a few hours and immerse in the world of stories, colours and shapes. Get inspired whilst listening to fairy tales in Swiss dialect and create your own paintings. Storyteller Claudia Däpp and paint-therapist Feerena Zuber are looking forward to meeting you! No previous knowledge necessary. Information and registration: www.feerena.ch.
